MR. JOHN CAIRNS DEAD.

Mr. John Cairns, a pioneer settler of this section of Texas, died at the Parker plantation this morning at 4 o'clock. His home was at Chriesman, Burleson county, but for the past year he had resided in the bottom and had been ill for more than six months. He was born at Curtis, Ohio, eighty years ago, but was reared in the South and served faithfully and bravely on the side of the Confederacy throughout the entire war. It was during the war that he lost his health and had never been stout since. He was an uncle of Mrs. M. J. Parker, of this city, and during his illness at the Parker home in the bottom every attention possible was paid him and every comfort provided.

He was a member of the Presbyterian church, a good man and Christian gentleman.

The remains were taken to his old home at Chriesman, where the funeral was held late this afternoon.

Business Men's Prayer Meeting.

The business men's prayer meeting yesterday afternoon was well attended and the interest was much greater than for some time. The leader, Mr. Suher, took for his subject Paul's conversion. The meeting next Sunday afternoon will be conducted by Mr. Robertson, and it is desired that a large attendance be on hand.

After the prayer meeting was closed yesterday the gentlemen present decided to prepare the skating rink in which to hold the prohibition meeting tonight. The speaker, Mrs. Armour, of Georgia, is said to be one of the greatest temperance speakers on the American platform. It had been intended to hold the meeting in the First Methodist church, but owing to the reports from outside towns of the crowds getting ready to come to Bryan to hear Mrs. Armour, the plans were changed. Mrs. Armour will begin speaking at 8:30 o'clock tonight. The rink has been well seated.

New Trial for Policeman.

San Francisco, July 17.—The drawing of a jury to sit on the second trial of former Police Captain Michael J. Conboy for the murder of Bernard Lagan will commence today. Conboy was found guilty of manslaughter at his first trial and was sentenced to eight years in San Quentin prison. An appeal was taken from the verdict and the appellate court ordered a new trial.

HANDICAPPED.

This is the Case with Many Bryan People.

Too many Bryan citizens are handicapped with a bad back. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest, and in the morning is stiff and lame. Plasters and liniments may give relief, but can not reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills help sick kidneys.

The following statement should convince every Bryan reader of their efficiency.

Mrs. A. F. Thomas, of Navasota, Texas, says: "I am glad to recommend Doan's Kidney Pills, as they proved to be an excellent kidney remedy. I suffered for some time from a severe pain in my back. This caused me a great deal of misery and worry. I had heard so much of Doan's Kidney Pills that I procured a box and in a short time after I began using them, every symptom of my trouble disappeared. I gave a public statement recommending this remedy over a year ago, and I am now glad to say that I have had no recurrence of my former trouble."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

Notice Feeders

Crowley, La., Nov. 2nd, 1907.
P. L. Lawrence, President,
Crowley, La.

Dear Sir:—Having used "NUTRILINE FEED" exclusively for three years I am warranted in recommending it as the best and most economical feed I have ever used. Being STEAM COOKED and finely ground, it is superior to any feed, not excepting corn and oats, I have ever fed.

I have saved several hundred dollars by using Nutriline and therefore shall continue to use it.

Yours truly,
L. V. JOHNSON (Livory)

We have exclusive sale of Nutriline and Momyk Dairy Feed and have six cars bought previous to the present high prices. It is therefore of interest to all feeders to look into the real merits of NUTRILINE.
